# Professional Experience

## Graphic Designer

**JMU Creative Services  
Harrisonburg, VA**

Nov 2015 – Present

Design Leader on 3 100+ page exhibition books for the JMU Engineering Dept's annual XChange capstone program. Published April 2017, 2018, and 2019.

Designer on projects such as newsletters, posters, invitations, and infographics for two schools of the university.

## Design Intern

**Mediumstudio  
New Bedford, MA**

May 2017 – Aug. 2017  
May 2018 – Aug. 2018

Assisted studio owners in planning and executing the revival of a youth oriented hip-hop festival in downtown New Bedford.

Ran an integrated campaign on multiple social media accounts used for promoting the festival in the preceding months, featuring original graphics.

Created illustrations and collaborated with studio's lead designer in developing a visual identity for the 3rd EyE Open Festival.

## Design Intern

**The Franchise Group  
Acushnet, MA**

Jul. 2018 – Aug. 2018

Worked full time with TFG production team to complete a wide variety of design tasks, including movie posters, social media ads, print ads campaigns, custom graphics for video projects, web design, and more.

Attended weekly team check-ins and met with clients. Created taglines for several small ad campaigns.

## Catering

**New England Clam Jams  
Westport, MA**

Jun. 2009 – Aug. 2018

Senior staff member helping to manage and train other employees in the service and preparation of food for a variety of catering events.

Ran independent sections of larger jobs start to finish, reporting directly to owner.

Equipment maintenance and transport to and from all jobs.
